

Alejandra Pedroza Medina

Hi, I'm a Graphic Designer and UX/UI designer, I love learning, I'm proactive and hard-working. My favorite skill is creativity which I consider to be one of the most important because I use it for everything! I love meeting difficult challenges to help me improve myself and improve myself professionally.

Work experience

Freelance **Graphic and Web Design Jobs**

Printed: brochures, business cards, logos, folders, posters and advertising. Projects with HTML/HTML5, JQuery, CSS, JavaScript, Bootstrap and Angular.
